

Bernardston Emergency Management Special Needs/Assistance List

Please help us help our community in times of greatest need.

In the event of a widespread emergency, due to severe weather or any other foreseen or unforeseen event, Bernardston's first responders rely on our Special Needs/Assistance List to identify our most-vulnerable residents.

As you can imagine, maintaining this list is an ongoing process, and we rely upon residents and their families to help us stay up to date. Participation is strictly voluntary.

If you would like to be added, have updated information to report, or wish to add a family member, please complete and return the enclosed form.

We also appreciate notification of any resident who should be removed.

You are welcome to contact Peter Shedd Fire Chief/Emergency Management Director, Email 4c1pshedd@comcast.net, cell phone 413-522-8775, Home 413-648-9329 with any questions.

Or any other Member of the Bernardston emergency Management team; Lloyd Grover, Roxene Shedd, Byron Call

Thank you and best wishes!
